PROJECT CUT FILES

STEP 1

I have provided the cut file I made using CCR to make the tri-fold card. File includes all of the pieces I used on the card except the rectangular background pieces on the two flaps and the scalloped circle with the stamped sentiment.
Cut out all pieces in the file.

STEP 3

For front flap, red card stock was embossed and inked and embellished with dark brown ribbon. Squirrel was attached with foam tape for added dimension.

STEP 4

The second flap was covered with orange leaf motif scrapbook paper. Tree was adhered to flap and embellished with scalloped circle stamped with sentiment.
