CRICUT ®: WHAT WAS USED

Cricut® Simply Charmed Cartridge

Cricut Mni® Personal Electronic Cutter

Cricut® Tags, Bags, Boxes & More® 2 cartridge

OTHER MATERIALS NEEDED

- cardstock
- ribbon
- glue

STEP 1

Cut out the bussiness card box from Bags,tags,boxes,and more 2 cartridge. Cut off the peice where the scissors are cutting in the picture. Please do this if you do not want a strange growth on the side of your boat! Now you can put your boat together. Fold down a third of your boat on one side and cut it off. Also cut off the little sqaures on the side so your ship looks like the ship in the next picture.

STEP 2

Add your three portholes and wood accent peice and anything else you want to accessorize your boat with!

STEP 3

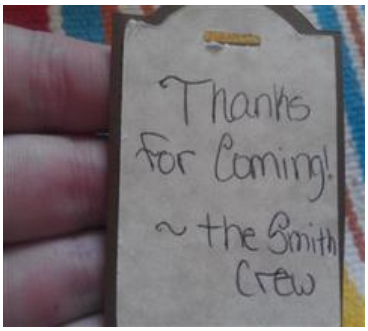
Cut out your pirate ghost with his little candy bag and the ship wheel (the sun from simply charmed). Don't forget to add the little pole for the ship wheel to attach onto.

STEP 4

Now glue your ghost on the left and the wheel on the right.

STEP 5

All we have to do now is the tag! Just cut out a simple one and write your little note. Instead of putting your name after the message put your families last name and then put the word crew after that. Ex: Thanks for coming, the Smith crew.



STEP 6

Punch a hole in the side of the boat and string ribbon through the tag to attach it to the ghost ship.

STEP 7

Fill your favor bag with candy and step back as people ooo and aww over your adorable party favor bag!
