This is a scrapbook layout I made using the Create a Critter 2 cartridge.

CRICUT®: WHAT WAS USED

Cricut® Personal Electronic Cutter Machine

Cricut® Everyday Cartridge, Create a Critter 2

OTHER MATERIALS NEEDED

- Card Stock
- Small Leaf Punch
- Foam Tape
- Adhesive
- Stone Texture Paper

STEP 1

Use a piece of blue card stock for the main piece. Cut a green piece of paper to look like a grassy hill, and glue it on the page.

STEP 2

Using the Create a Critter 2 cartridge, cut a 4 1/2 inch haunted house and a 5 1/2 inch tree using paper of your choice. Next, cut a 3 1/2 inch ghost. Using a stone-textured paper, freehand cut a path from the bottom of the page to the entrance of the haunted house. Freehand cut eyes, a mouth, and angry eyebrows for the tree.

STEP 3

Using the Craft Room Basics font, cut out the words "Trick or Treat." The ones in the picture have been slanted, but you can modify them however you like.

STEP 4

Cut pumpkins in varying sizes and modifications from the Craft Room Basics cartridge.

STEP 5

Cut a 4 1/2 X 6 1/2 piece of card stock for a photo frame. [NOTE: The white piece in the picture is just a placeholder for a 4 x 6 photo.]

STEP 6

Glue all pieces (except for the ghost) as shown in the picture. Use foam tape to adhere the ghost to the page.
