HAPPY SQEALS

Design by: maria2636 (2 Projects)
About me: :)
Project skill level: easy
Project time: less than 30 minutes
Project tags: Birthday Classic Celebration Cards Cards Congratulations Cards Friend Cards

I made this using the Folk Art Festival cartridge. The overall size is 6 1/2" x 5 1/2". The paper is from a Colorbok stack I have had for a while. The sentiment is stamped. The stamp is made by Clear Dollar Stamps. Misc: Ribbon, Brad, Ink, Pop Dots

CRICUT®: WHAT WAS USED

Cricut Expression® Machine

Cricut® Everyday Cartridge, Folk Art Festival

OTHER MATERIALS NEEDED

- Card Stock
- Adhesive
- Rubber Stamp & Ink
- Printed Paper
- Ribbon
- Brad
- Pop Dots

STEP 1

Using the Cricut Folk Art Festival Cartridge, cut the card base at 6 inches.

STEP 2

Cut the card front (font blackout/shift key) at 5.833 (for the sake of this card).

STEP 3

Cut the cut little hogs. The larger hog and blackout are cut at 3 inches. The smaller are cut at 2 1/4 inches.

STEP 4

Assemble the card. Tie your choice of ribbon around the (single) card front piece. Attach the brad as well. Attach that piece to the front of the card. Adhere the larger hog to the left side of the card. Adhere the smaller hog and tag with pop dots. I also used a small piece of twine on the tag.
