Design by: [Lisa](#) (1 Project)

About me: I love the my Cricut..... I only regret I do not have enough cartridges!

Project skill level: moderate

Project time: 30 minutes to 1 hour

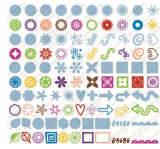

Project tags: Boxes/Bags/Tags Feminine Gifts

I created a this after watching a tutorial on Amazing Paper Grace. I didn't have enough money (\$60) to buy the die cut that she used, so I created the cut on Cricut Craft Room.

STEP 1

Watch Becca Feeken's tutorial on Amazing Paper Grace. I used the extra hexagon as a liner on the inside of the lid cover and base as an extra support. The wall sides measure 2 1/4 inches for scoring purposes.

STEP 2

I used the extra section of uncut paper and piece them together so you should end up with a piece that measures 4" by 15 inches. Use this to make the walls of the box.
