Outdoor/Animal Layouts

I used Walk in My Garden for most of my cuts - 3 sunflowers cut at different sizes 5",6" & 7", used Tim Holtz Tea Dye Distress Ink, foam tape to raise each layer. I also cut a bazillion tiny daisy's from the same cart, these were cut at 1/2" and glued onto the center of the sunflower - gives it a wow factor I think, also used stickles on the tips of the daisy's. I cut a bee at 3/4" and stickled him as well, then I used Opposites Attract for the title and Paper Lace for the design back ground. Hope you enjoy!
