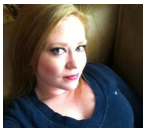
EASTER CARD



Design by: SarahMichele (6 Projects)
About me: While working on my degree to become a Special Education teacher I love to craft in my spare time. I mainly do paper craft but have recently started to venture out.

Project skill level: easy
Project time: 30 minutes to 1 hour

A simple little bunny for a cute little Easter card

CRICUT®: WHAT WAS USED

Cricut® Wild Card Cartridge

Cuttlebug® A2 Divine Swirl Emboss Folder

Cuttlebug® Machine - New Design!

OTHER MATERIALS NEEDED

- White card stock
- Adhesive
- Light blue cardstock
- Distress ink and blending tool
- Yellow card stock

STEP 1

Cut out all images. For this card I used the Doily card from my Wildcard cartridge, the Bunny from Cricut Alphabet cartridge, a plain cirlce and clouds from CCR Essentials, and the eggs and grass from the Cricut Easter Seasonal cartridge.

STEP 2

Color plain white circle using Tim Holtz distress ink. I used the colors Broken China and Peeled Paint to resemble the sky and grass.

STEP 3

Emboss circle (I used D'vine Swirls embossing folder)

STEP 4

Adhere circle and card together

STEP 5

Adhere bunny together. (I used distress ink color tea dye and worn lipstick by Tim Holtz for my bunny.)

Finished card

STEP 6

Adhere the rest of your embellishments (I colored my Easter eggs with distress ink to give it that dyed egg look) I also ran my clouds through my cuddle bug to make them really pop

Finished card
