STEP 1

Sponge around your card. I used CTMH Twilight Ink.

I used Close To My Heart: Olive, New England Ivy, Garden Green, Ponderosa Pine.

Cut around the stamped image and sponge with CTMH Twilight.
Cut a Black mat about 1/4" bigger and sponge around that in CTMH in Black and adhere to the back of the Lagoon stamped C/S the set aside.

The tag shape is from page 31 3D Object cut @1 3/4" in Colonial White and sponged with Sunset.
Cut a 1/2 circle in Chocolate for the center of the flower. ****Tip**** (Be sure to use the Real Dial button when making Circles with you Cricut). This will give you a truer circle shape...
Place a CTMH Brown & Tan Sparkle in the center and adhere it to the edge of the Lagoon C/S

STEP 5

Sponge a coordinating color on your CTMH Seam Binding Ribbon. I use CTMH Black. Tie it using a knot around the Lagoon and Black C/S. STEP 6

On the back of the Lagoon and Black C/S cut and place 4 small pieces of the 3D Foam tape.
Remove the backing from the tape and adhere it to the front in the center of your card. For a little pizas take your Black sponge and quickly go all the way around the edge of your card to ad detail. Pretty simple!!!
