I made these cute placemats for the Extreme Fonts Contest (Week 1)! These would be a great addition to any family meal or kitchen accessory! They were really fun to make, and definitely worth the effort!

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Gypsy™ handheld

Cricut® Gypsy Font Digital Cartridge

Gypsy Font

OTHER MATERIALS NEEDED

- Valentine Fabric
- Sewable Fabric Stiffener
- White Heat Transfer Vinyl
- Batting
- White Fabric
- Trim
- Iron

STEP 1

Pick out a Valentine themed fabric and white fabric. Heat on the fabric stiffner with an iron. Place your fabric on a 12 x 24 mat and cut a heart. I used my Gypsy so I could make my heart as big as it would fit on a 12 x 24 mat.

STEP 2

Once the hearts are cut out, sew the two hearts together and add a cute trim.

STEP 3

Cut out "Love" using the Extreme Fonts cartridge on white Heat Transfer Vinyl. I welded my letters together using Cricut Craftroom, so it would be one piece.

STEP 4

Weed the vinyl and iron it on to your heart.

STEP 5

Display proudly for Valentine's Day!
