I made another 21st Birthday Card. I used Pack Your Bags for the drink and Velum for the glass,

CRICUT®: WHAT WAS USED

Cuttlebug® Machine - New Design!

Cricut® Pack Your Bags Cartridge

Cricut® Alphabet cartridge

OTHER MATERIALS NEEDED

- vellum
- score board
- glitter
- hot glue

STEP 1

I used Pack Your Bags for the drink and Velum for the glass, I cut 2 pieces and put the pink paper and half the straw inside between the 2 pieces of velum so they look like they are on the inside of the glass.
I used purple foil paper from Walmart and adhered it to purple metallic paper and then put it through the Cuttlebug with the swirls folder. I show it all in the video below.

STEP 2

I made the rosette by just cutting 1.5" x 12" glitter paper and used an edge punch and then scored every 1/4" I cut the 21 from Cricut Alphabet and then cover in glitter. I show completely in the video below.
