PROJECT CUT FILES

beware.ccr

STEP 1

Sand Whitewash cardbord.
Cut the candle and frase image and glue the pieces. Dust the images with anti - static pouch; with the glue pen highlight where you want the bright effect, add emboss powder and emboss.

STEP 2

Cut frame, background and face expression.
With the left over that comes from the machine (face expression) use it as an stensil; dust background with anti - static pouch, saturate with the embossing stamp pad add the embossing powder and finnaly embosse.
Glue the frame olver background.

STEP 3

With the Blender Chalks and colorless blender marker paint shadow and detail over the images, black and gray works great.
Glue the images over your cardbord and enjoy.
Happy Halloween!
