CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® A Child's Year Cartridge

Cricut Imagine® Machine

OTHER MATERIALS NEEDED

- Clear acetate
- Ink & chalk
- Cuttlebug
- Stickles
- Whimsy Stamp
- Vellum

STEP 1

Cut window card (Card 1), envelope and layers at 5". I cut an extra front panel and embossed it in the Cuttlebug using the Distressed Stripes folder. I cut a layer of clear acetate to layer between the two front panels, so it looks like the window has glass in it. The inside print is from my Imagine using the Blossom cartridge. Ink and chalk all edges.

STEP 2

I cut two layers for the curtain, one of vellum that I embossed using the Swiss Dots folder. I also cut a second window frame to finish off the inside of the card.

STEP 3

Cut butterflies (Card 2b Layer) and bird (Card 1a) at 2.5" from Creative Cards. Chalk and ink edges. Cut cat (Icon) from A Child's Year at 2".

STEP 4

Adhere pieces to front of card. The cat is adhered to the inside, so that it is looking out the window. The sentiment is a stamp and die from Whimsy Stamps.
