MY "CRICUT ANGEL"

Design by: Ladybug (7 Projects)

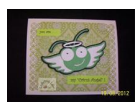

About me: I have always loved crafting. Now, I love paper crafts with my Cricut machines.

Project skill level: easy

Project time: 30 minutes to 1 hour

Project tags: Thank You Cards Friend Cards Playful

Made this card for a very special MB friend, Anne, who I call my "Cricut Angel" because she gave me a Cricut cartridge, completely gratis.

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut Expression 2: Anniversary Edition

OTHER MATERIALS NEEDED

Cricut Decals; Just a Note

Martha Stewart Modern Garland punch

Stickles

STEP 1

Make a card base by folding an 8 1/2" x 11" piece of cardstock, in half.

Using patterned paper (5" x 8"), punch corners and borders with the Martha Stewart Modern Garland punch set.

STEP 2

Cut the Cricut Angel, and layers, from p. 28 of the Cricut Decals built-in cartridge. (<Dad1>, Cricut Heads). Stickle the wings and halo with Diamond Stickles.

Attach the Cricut Angel with pop dots.

Add computer-generated sentiments.

STEP 3

Inside of the card:

Cut a background from the patterned paper and punch out the corners using the Martha Stewart punch. Cut a "Thank You" and layers from p. 37 of the Just a Note built-in cartridge. (Pinwheel, Phrase Layer)

Stickle the "a", "o" and "u" layers with Gold Stickles. Attach a rhinestone in the "o".
