## CRICUT®: WHAT WAS USED

Cricut Expression® 2

Cricut® Everyday Cartridge, Southwest

## OTHER MATERIALS NEEDED

- premium cardstock
- tin bucket
- shaved wood strips
- hot glue gun
- 1/4 inch dowels
- 1 sheet brown felt
- zig two way glue
- dimensional tape
- cardstock paper strips for confetti
- red posterboard
- basic color dual tip brush markers
- square block of styrofoam

## STEP 1

cut images and shadows from southwest cartridge, glue together with zig two way glue. Color in totem pole with markers for a more original effect.

## STEP 2

Measure and cut felt to place around tin bucket.

## STEP 3

Hot glue felt to bucket.

## STEP 4

Glue cardstock strips to dowel twisting clockwise until covered. Add images to tops of dowels. Trim styrofoam to fit inside bucket, and position dowels as desired.

## STEP 5

Place and glue sun, cactus and totempole to red posterboard.

## STEP 6

Add a folded piece of cardstock to back of tepees for stand. Position tepees in front of red posterboard.

## STEP 7

Scatter shaved wood pieces and crinkled colored cardstock around bucket and tepees and also add some to inside of bucket for a more added effect.
