I used the Cupcake Wrappers and Mini Monograms to make my cake pop tags. These are super simple to make and I think they came out cute!

CRICUT®: WHAT WAS USED

Cricut® Mini Monograms Cartridge

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cupcake Wrappers Cartridge

OTHER MATERIALS NEEDED

pink card stock
red card stock
medium zots
1.5 inch punch
glue

white card stock
printed card stock
stickers
standard hole punch

STEP 1

I cut the shape for the pink tags using the toppers on the cupcake wrapper cartridge. I cut one scallop using printed pink cards stock for the top layer and the bottom layer I used solid pink card stock. I made the 2.75in. I then glued them together.

STEP 2

Next I printed my message on my white card stock using my computer. I punched it out using my 1.5 in. punch.

STEP 3

Then I used a zot to adhere the white card stock to the pink scallop. I punched a hole at the top and at the bottom, added my sticker and slid the tag onto my cake pop stick.

STEP 4

For the blue tag I used the Mini Monograms cartridge. I cut a stitched circle using blue printed card stock. Then I cut a shadow using red card stock. It's been a while but I think I made them 2.75in. I glued the two together.

STEP 5

I then printed my message on my white card stock using my computer. Used my 1.5 in. whole punch and punched it out. I used a zot and attached it to my stitched circle. added my sticker. Punched a hole at the top and bottom. Slid it onto my stick and was done.
