I am so excited about the new Create A Critter 2 cartridge! The first Create A Critter was by far my most favorite/used/loved cartridge! So here is my entry for the design contest. I don't think this little squirrel could get any cuter!

STEP 1

I have provided the cut file I made using CCR to make the tri-fold card. File includes all of the pieces I used on the card except the rectangular background pieces on the two flaps and the scalloped circle with the stamped sentiment. Cut out all pieces in the file.

STEP 2

Use the dark brown ink to ink all the edges of the layers

STEP 3

For front flap, red card stock was embossed and inked and embellished with dark brown ribbon. Squirrel was attached with foam tape for added dimension.

STEP 4

The second flap was covered with orange leaf motif scrapbook paper. Tree was adhered to flap and embellished with scalloped circle stamped with sentiment.
