The gal in the inner tube exudes "princess-ness" such as with my daughter. Had to make this fun card for her 23rd birthday.

STEP 3

Card base:
Using pattern cardstock cut one piece at 4-3/4" x 12"; fold in half to create card base.

With the extra water wave, starting on the left, weave it under the exposed foot and over the other leg. Adhere the portion of the water wave overlapping the leg .. so it appears to be in the water.
