About me: I've been a crafter all of my life. The day I bought my Cricut Expression changed my life, I can spend hours and hours cutting, assembling and just plain having fun, "playing" with all of my toys.
Project skill level: advanced
Project time: less than 30 minutes
Project tags: Baby Shower Baby Gifts

My sister's pastor's wife is expecting, her baby shower is coming up, Sandy is handcrafting a quilt and asked me to create a magnet indicating that she would babysit for free.

PROJECT CUT FILES

STEP 1

BEFORE CUTTING!!!!!!!! Be sure to run shrink plastic through printer, I used Microsoft Word and a size 36 font. After shrinking, the printed on layer will be the size of a standard business card.

STEP 2

Cut pieces using Baby Steps and CCR Basics, after cutting, color using the colored pencils, markers, etc. Then shrink pieces per manufacturer's directions.

STEP 3

After pieces have cooled, assemble layers and adhere to base, add a real pom pom to the hat. Adhere magnets to back (I used 3 magnets).
