STEP 1

This is for a 5 x 6 greeting card. I used simple white greeting cards.
Cut out 2 1/2 inch eagle and 1 1/4 inch shadow banner using Ultimate sampler or Stand and Salute Cartridge

STEP 2

Cut out 4 1/2 inch shadow emblem from Accent Essentials cartridge.

STEP 3

cut a 4 x 4 inch color cardstock and using adhesive, apply to the front of your white card.

STEP 4

Then apply emblem, followed by foam squares to the eagle on top of the emblem. Finally apply stickers or print out Thank you or a boy scout saying (i.e. be prepared) to the banner . I used foam squares again to make the banner "pop"
