PROJECT CUT FILES

STEP 1

I started off the project using shrink material in Bright White.

Fourth of July Glass Charms

On the glasses

Images cut using CCR Basics

Stamp your images on

Color the stamped images in

Punch your holes in and bake

STEP 2

Next, I cut my images to stamp on. I used the FREE Cricut digital cart - Cricut Craft Room Basics. I cut the shrink material in my mini at full pressure, speed, and multi-cut 3.

STEP 3

I then stamped my images using black permanent ink.

STEP 4

Time to color! I used alcohol markers in Royal Blue, Red and Gold.

STEP 5

The last preparation step is to punch holes in the shrink material PRIOR to going in the oven. I used a standard hole punch which leaves a perfectly sized hole to attach with once it is baked. Baking them is super easy and fast. Simply bake in a 325 degree oven for 1-3 minutes. They cool almost immediately and are then ready to be used.
