I am so excited about the new Create A Critter 2 cartridge! The first Create A Critter was by far my most favorite/used/loved cartridge! So here is another entry for the design contest. I'm not generally a big Halloween person but this ghost was too cute to resist!

STEP 1

Cut all pieces in file in Cricut Craft Room. Ghost body, "Boo" phrase, and the house background were all cut out of glitter paper (wish it photographed better). Everything else was regular card stock or scrapbook paper.

STEP 2

Embellish house, hat, cheeks and candy with glitter. Ink edges of bag.

STEP 3

Assemble pieces as shown with adhesive of choice. Ghost was adhered with foam tape for added dimension.

STEP 4

Give this little guy a nice new home and make someone smile (if you can stand to part with him!) :)
