I made this candy bag for my godaughter for halloween. It will be her first Halloween that she will be able to go Trick or Treating since she just started walking. The fabric i picked up at my local fabric store. This was also my first time cutting fabric with my cricut. I will be making one for my best friend son :) The bag is 9 1/2 by 9 1/2 inches, perfect size for a toddler to cary on her Halloween outing.
