Create a Critter 2

STEP 1

Cut Pirate House and shadow at 2.056 x 2.653, cut 2 of the shadow. Cut Pirate Ghost and shadow at 1.486 x 2.014, cut 2 of the back piece. Adhere hat and eye patch piece to ghost. Select a Cupcake Wrapper. I used Champ and hid the word champ and cut at 8.528 x 3.361.

STEP 2

Get your hot glue gun and toothpicks and assemble the toppers. I add a dab of hot glue to the toothpick and place it on the back piece and then adhere the top piece. If you would like you can add pop dots but it really is not essential.

STEP 3

Now decorate your cupcakes and enjoy!
