This is a basic card using the Create a Critter 2 preview on the Cricut Craft Room. The squirrel and it's layers were cut at 3 1/2". The card itself is 4"x5.5". The brown base is the same size. The patterned paper is 1/4" smaller on each side. The squirrel is on an Action Wobble and doesn't want to stay straight since I played it. The patterned paper is K and Company and the ribbon is May Arts. The sentiment is from the K Andrew Designs Fall-O-Ween sentiment set. **\*\*It won't let me add the Create a Critter 2 to the cartridge used below, so I used the original Create a Critter\*\***
