### [Playful](#)

This is a simple layout using the sneak peak images from Create a Critter 2. I used a 12X12 lavender cardstock layered with DCWV patterned paper trimmed to 10X10 (Halloween and Fall stack). All solid paper is from craft stock and patterned paper from DCWV Halloween and Fall stack. I cut the images of Ghost and Candy bag (basic & icon) at 3.5". I cut the Haunted House (accessory) at 4.5" and Phrase at 1.5". I added small embellishments like Glossy Accents in the Haunted House windows, Stickles (Crystal) on the Phrase, inked the edges of the Ghost using Stampin'Up! Basic Gray ink pad and daubber, Chipboard letters from Colorblok (Flashy Finds), and punched the borders of the picture frames and border using EK Success pumpkin border punch and Martha Stewart's drippy goo border punch. It's simple and easy and ready for me to add Halloween photos! I'm excited to share this with you, hope you like it!!
