Using Create a Critter 2 and Heat Transfer Vinyl I made this Ghost Shirt for my littlest. More info can be found at <http://sarawandrews.com/2012/09/03/a-ghost-eeek/> including tips, tricks and how to correct some oopsies.

CRICUT®: WHAT WAS USED

Cricut Expression®
Machine with Plantin
SchoolBook and Accent
Essentials®

Create a Critter
Cartridge

OTHER MATERIALS NEEDED

Flocked Heat Transfer Vinyl

T-shirt

Iron

Heat Transfer Vinyl

Buttons

Parchment Paper

STEP 1

Using CCR and CAC2 I sized my image to fit a Toddler T-shirt. I taped the edges of my flocked vinyl just to be safe since it does have a thicker protective backing.

Cutting the Image

STEP 2

Using parchment paper as a protective covering I ironed on both images.

STEP 3

Peel the protective covering off the vinyl add decorations and you're done!

Ironing the vinyl

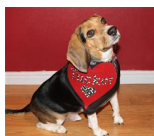

Peeling the protective covering
