I LOVE making shaped cards and my Gypsy and Cricut Craft Room make that SO easy! I made this in Cricut Craft Room so if you would like the file, it is attached to this project! I hope you enjoy this! It's for the Create a Critter 2 project contest. I was SO excited to hear that Create a Critter 2 was finally coming out! I had been hoping that they would make one for a while!

CRICUT®: WHAT WAS USED

STEP 1

Select the shadow of the lion (3") and the base (2.25"). Copy and paste and then flip one of the images. Move it until they overlap and then weld. Cut out of white cardstock for your base.

STEP 2

Copy and paste and extra "right side" of the base of the card and cut out your background shadow. In my case I chose yellow polka dots.
