I made this cute little Squirrel card using the Create A Critter 2 sneak peak in the cricut craft room. I am going to submit this this project for the design contest going on.

CRICUT®: WHAT WAS USED

Create a Critter Cartridge

Cricut Expression® 2

OTHER MATERIALS NEEDED

DCWV Paper	Scrappy Moms Stamps
Basic Grey Bling it Gems	3D Foam Squares
Florentine Gold Martha Stewart Glitter	ATG Adhesive
Zig Adhesive	Brown Ribbon
Peachy Keen stamps	Embossing folder

STEP 1

Card Base is 5.25x5.25, Layers; Acorn paper 5x5, Dark brown Layer 2" and Tan Layer 1 5/8. Adhere all your layers to your card. I embossed the tan layer with a leaf embossing folder (sorry don't know the name). I then added some brown ribbon around it and added a bow.

STEP 2

Squirrel was cut at 4" along with all his layers. I used 3D Foam Squares to stick him to card. I put a little brown leaf I had in my stash in his hands. I also used Martha stewart Glitter on the buckle of his hat. I used the hide a feature in the craft room so I could use a cute Peachy keen face stamp. I added some pebbles chalk to his cheek and added some little freckles. I also used glossy accents on his eyes and nose to give it a shiny kind of wet apperance.

STEP 3

Stamp sentiment and layer add using 3D Foam squares. Now just decorate your inside.
