OTHER MATERIALS NEEDED

- Stickles
- Studio G Rhinestones
- Tim Holtz Distress Ink
- 3D Foam Squares
- DCW Paper
- Button
- Orange crush glitter
- My Pink Stamper Spook-alicious Stamps
- ATG Adhesive
- Googly Eye
- Bakers Twine

STEP 1

Card Base Measures 6 x 4.75. Layers: Striped paper 5.75x4.5, Orange paper 5.5x4.25. For the strips on the bottom the striped is 2" and the green is 1.25". Adhere the all paper to your card base, I Embossed the orange paper with the cuttlebug swiss dots folder and inked around the edges with Tim Holtz Distress ink(dried marigold). I also inked around the green with distress ink (shabby shutters). I added some purple bakers twine around the green layer and added a button before I glued it down.

STEP 2

I took my haunted house that I cut at 5" and added glitter to the moon. This was loose glitter so I used my zig glue pen to adhere the glitter to the moon and then let it dry. I also took Black Diamond Stickers around all the windows of the haunted house and little cut marks on the roof. I then added 3D foam squares to the back and stuck to my card. I stamped my sentiment and added some rhinestones and stuck that to the front of my haunted house.

STEP 3

My Ghost was cut at 3.5" along with all his layers. I used Pink glam stickles for his cheeks and black Diamond stickles for his eye patch and added him to my card using 3D foam squares as well.

STEP 4

Now just go ahead and decorate the inside of your card.
