About me: Mom, crafter, graphic arts student

Project skill level: easy

Project time: 30 minutes to 1 hour

Project tags: Christmas Scrapbook Layouts

I used the CACII sneak peak bird and Joy for this 6 photo LO, I left two journal spots because I have twins so I figured I could journal notes for each of them along with holiday photos of them opening gifts. Joy is cut at 5 inch, birds are about 1.5 inch.
