STEP 2

Next I placed my title above my photo on the left side of my page. I cut the title at 2 inches and glittered the letter i (the candle). I placed the three little piggies onto my page. One on the right and two on the left. I cut the piggies at 2 1/4 inches and I used shimmery paint on their noses, hooves and ears. I put a party hat on each pig but I only put a little dress on the middle pig.

STEP 3

I cut the cupcake at 4 inches and I used it for my journaling block. In the Cricut Craft Room I took away the little face on the cupcake so I would be able to write on it. I used glitter glue on the candle of the cupcake. I placed the cupcake on the right side of my page below the photo.

STEP 4

Lastly, I placed some balloons (cut at 2 inches) on either side of my page.
