Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Cricut® Accent Essentials Cartridge

Cuttiebug® Machine

OTHER MATERIALS NEEDED

Picture frame

wiggle eyes

paper trimmer

cardstock

adhesive

colorbox ink

STEP 1

Using Create a Critter 2 cut the squirrel and corresponding layers at 2 1/2". Cut the acorn and corresponding layers at 1" - creating a total of 3 acorn cuts.

Using Accent Essentials lay the scalloped circle cut onto your mat and set the width to 4.318 and height to 3.007 for one cut and width to 4.847 and height to 3.375 for the second circle. (I had to use my Expression for this as my E2 reported an error with my AE cartridge)

STEP 2

Ink the edges of the acorn and squirrel cuts and adhere layers together. Adhere wiggle eyes to the squirrel.

Set aside.

STEP 3

Using a paper trimmer cut from brown cardstock one 3 1/2" square and one 3 1/2 x 4" rectangle. From red cardstock cut a 3 1/4" x 3 3/4" rectangle. From green cardstock cut one 3 1/4" square.

Emboss the red and green cuts using the swiss dots embossing folder. Ink the edges with brown.

STEP 4

Using a 5 x 7 1/4" rectangle for your background, layout and adhere your cuts to create the 'scene'. Place your picture within the mat of the picture frame, place the back on the frame and stand or hang to proudly display.
