Lime Green Cardstock
Light Grey Cardstock
Strong Adhesive Glue
Paper Trimmer

Black Glitter Cardstock
White Cardstock
Favorite Halloween Border Punch
Pumpkin Head
Orange and Black Feathers

STEP 1

With the George and Basic Shapes, cartridge, cut a circle out of orange cardstock. Fold orange circle cardstock in half. Using the paper trimmer, slice the circle in half. Using the Cuttlebug, emboss with Midnight Hauntings set (I used the candy corn embossing folder). Set aside.

STEP 2

Using the Sneak Peek Create a Critter 2 cartridge images, cut out ghosts, pumpkin bag, "Boo"s, the heart and candy wrappers. Using the Mini Monster cartridge, cut "shadow" black spiders out. (No layers, just the shadow—you can leave the bow on, no one sees it!) Assemble all your paper pieces together. Set pieces aside.

With your favorite Halloween border punch, punch the border on a strip of black glitter cardstock. Cut small notches on the top so you can overlap when gluing to the half circle.

STEP 3

Place strong adhesive glue on the white heart shaped cardstock. Arrange your feathers onto the glue. Set aside.

Glue the border along the edge of your skirt. Let dry for a few minutes. Roll your skirt into a cone shape. Glue seams together. Set aside to

dry for a few minutes.

Once it dries somewhat, push down the top of the cone to get a flat surface. Adhere head on top of your cone.

STEP 4

Glue candy wrappers to side of skirt. Glue your wings to the back of the skirt. Pop dot the spiders, and boo to the skirt. Add bag to her candy wrapper hands. Set aside to dry.
