## STEP 1

Using Create a Critter 2 cut the lion and corresponding layers at 2 1/2 ".

Using Accent Essentials cut the circle tag at 2" and again at 1 3/4".

# STEP 2

Print the phrase Wild Thing on the smaller circle tag using any printer. Layer the tags together and use a coordinating ribbon tie off through the circle punch. Set aside.

## STEP 3

Ink the edges of the lion's layer and then adhere the layers together. Set aside.

### STFP 4

Using coordinating cardstock, layer your card together with the background, a 3" strip (I used a piece of corrugated cardstock) that will go across the center of the card and then your die cuts so that it resembles the card pictured.
