Made this card using Cricut Elegant Edges, Create A Critter 2 and Creative Memories This N That. I used Elegant Edges Circle 2-book and created the card in Cricut Craft Room. I measured (2) pieces at 4 1/2" x 6 1/4", then welded together and grouped. Ending up with one piece measuring 9" x 6 1/4". Then inked the edges with brown chalk. Also in the craft room used the same Elegant Edges Circle 2-book and cut a piece measuring 4" x 5 3/4" for single sheet. Inked the edges with a combination of green, orange and purple chalk. The paper is from Creative Memories Halloween Designed Prints. The haunted house was created using Create A Critter 2 at 4", the tree at 2". The bats I used Creative Memories This N That at 1/2". I colored in the eyes with a silver glitter pen. The haunted house is placed on card using 2 pop dots, the tree and bats glued with your choice. Finally stamped the word "eek". I found this project to be moderate and took me about 1 hr.
