My daughter's sweet 16 cake! Create a Critter 2 party pig was the perfect touch for this layout. Very whimsical images on this cart. Also, the cartridge images I have seen are versatile-whether you want to make them vintage or basic. This cart has a lot to offer.

## STEP 1

Used the Party Pig, happy birthday phrase and cupcake icon from Create a Critter 2 cartridge. Rolled paper for candle placed on the "1". Stuck leftover seam binding to look like flame. Threaded dyed seam binding through cupcake wrapper and tied a bow. Used mulberry paper for the pig. Layered cardstock until I got the dimension I wanted.
