Door Hanger

STEP 2

First cut out the layers to the lion. I made mine 4 inches

STEP 3

Assemble the layers to make the lion and attach the goggly eyes with an adhesive

STEP 4

Use craft chalk to give the lion some dimension

STEP 5

Cut out the words "Beware of Cat" and the door hanger. I made my door hanger by using Cricut Craft Room I welded a triangle with rounded edges and a circle for where the door knob goes. Once it was cut I made one cut so it would go on the door.

STEP 6

I attached my letters with my Xron but you can use any adhesive. I attached the Lion with a couple pop dots to give him dimension.
