Design by: JenniferHawkins (11 Projects)

About me: I have been scrapbooking for about 13 years. I got my first Baby Bug for Christmas in 2006 and have been hooked on Cricut ever since!

Project skill level: easy

Project time: 30 minutes to 1 hour

Project tags: Kids Cards

I created a card with the lion from Create a Critter 2 cartridge.

CRICUT®: WHAT WAS USED

Cuttlebug® A2 Distress Stripes Emboss Folder

Create a Critter Cartridge

Cuttlebug® Machine

OTHER MATERIALS NEEDED

- card stock
- acrylic paint
- foam squares
- glitter

- patterned paper
- ribbon
- adhesive
- action wobble

STEP 1

Emboss blue background cardstock with Distress Stripes embossing folder or other folder of your choice. Use a small paint brush to add acrylic paint to the raised surface. Add 1 1/4" circles to the background in a random pattern. Add patterned paper triangle to top and bottom of card. Machine stitch along edges of triangles. Cut lion at and the stand from Create a Critter 2 at 4" and assemble. When attaching the head to the body, put an action wobble behind so the lion can shake his head back and forth. Add pen detail to the mane and glitter to the stand. Cut "Roar" at 0.5" and the word bubble at 1", both from Create a Critter. I used red glitter for the word and white glitter for the word bubble. Then add ribbon along the top.

STEP 2

Cut scalloped circle from the Artiste cartridge at 4". Add pen detail around the edge. Cut "Wild about U" at 3.75" from Create a Critter 2. Assemble together for the inside of the card.
