This is a scrapbook layout I made using the Create a Critter 2 cartridge.

### CRICUT®: WHAT WAS USED

### OTHER MATERIALS NEEDED

Card Stock

Small Leaf Punch

Foam Tape

Adhesive

Stone Texture Paper

#### STEP 1

Use a piece of blue card stock for the main piece. Cut a green piece of paper to look like a grassy hill, and glue it on the page.

#### STEP 2

Using the Create a Critter 2 cartridge, cut a 4 1/2 inch haunted house and a 5 1/2 inch tree using paper of your choice. Next, cut a 3 1/2 inch ghost. Using a stone-textured paper, freehand cut a path from the bottom of the page to the entrance of the haunted house. Freehand cut eyes, a mouth, and angry eyebrows for the tree.

#### STEP 3

Using the Craft Room Basics font, cut out the words "Trick or Treat." The ones in the picture have been slanted, but you can modify them however you like.

## STEP 4

Cut pumpkins in varying sizes and modifications from the Craft Room Basics cartridge.

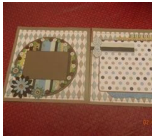

## STEP 5

Cut a 4 1/2 X 6 1/2 piece of card stock for a photo frame. [NOTE: The white piece in the picture is just a placeholder for a 4 x 6 photo.]

## STEP 6

Glue all pieces (except for the ghost) as shown in the picture. Use foam tape to adhere the ghost to the page.
