CRICUT®: WHAT WAS USED

Cricut Imagine®
Machine

Cricut Imagine® Art
Cartridge, Word of
Mouth

OTHER MATERIALS NEEDED

White cardstock

Ivory tulle

Yellow corduroy button

Miniature shells

Aqua seam binding

White linen thread

Pop dots

STEP 1

I used the Imagine cartridge Word of Mouth for my image cuts. I cut them at 4.5" and selected the "layers" option.

STEP 2

Did you know that this cartridge has 3 different 3-D frames on it? This is the first frame cut at "fit to page".

STEP 3

Now just score at the provided dotted lines and glue. Note: If you flood fill an image with a different pattern, you will lose the provided scoring lines and will need to score at your discretion. I used the provided pattern because it matched perfectly with my theme. I also added a background mat cut at 4" x 5.5".

STEP 4

Embellish as desired. I added a bow made from ivory tulle, aqua seam binding, white linen thread and a yellow corduroy button. I also added 3 miniature shells to the upper left corner for my frame for added interest and to reinforce the theme.
