## CRICUT®: WHAT WAS USED

Cricut Imagine® Machine

Cricut Imagine® Art Cartridge, Lori's Garden

## OTHER MATERIALS NEEDED

Card stock

Real Estate punch

Corner rounder

### STEP 1

Love the Imagine's Lori's Garden cartridge. It has so many pretty designs on it so I knew I just had to use it for my anniversary card.

Utilized the stock images on the Cricut Imagine, using the rounded square. Cut it at 5" and floodfilled it w/ a solid green colour. The patterned layer is the green floral found on p. 37 of the handbook.

### STEP 2

The "Love You" layer is found on p. 22 of the handbook. Pop-dotted both the layer and flower layer.

### STEP 3

Added glitter butterfly and flower stickers.

## STEP 4

The inside of the card is the frame found on p. 33 of the handbook.  
The sentiment was computer-generated and punched out w/ the Real Estate punch.

## STEP 5

Corner-rounded the corners of the card.
