A friendly snowman made from pumpkins to greet you. For details~ <http://sarawandrews.com/2012/10/06/october-7/> Inspired by a pin on Pinterest.

CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

Pumpkin Carving Cartridge

Noah's ABC Animals Cartridge

OTHER MATERIALS NEEDED

Pumpkins or Funkins

Transfer Tape

Stick Arms

Outdoor Vinyl

Various Fall Decorations like hat trim

STEP 1

Pick your favorite Jack-a-lantern face, size to fit your pumpkin and cut at vinyl settings. I used Medium Pressure and a blade depth of 4. It cut through the backing; however, for this project it was not that important. I simply rubbed the transfer tape over the images until they came off the backing.

Adding Images to the Transfer Tape.

STEP 2

Place the images on to the surface and rub until they are secured. The Jack-o-lanterns images were cut at 6" and the Mouse at 3".

Adding the images to the pumpkin.
