I created a scrapbook layout. using several different cartridges. First and foremost I chose the cut file of the Mad scientist from the Moveable Monsters on Cricut Craft Room. The chains are from Superman cart., "BEWARE" and the spiderweb is from October 31st cart. The bed is from Dr. Checkup cart. I used a rubber stamp to create the splats using green ink. I wanted it to look like the monster had escaped from the lab. Picture can be added on the black photo mat in center.
