STEP 1

Make paper bunting with saying of choice. I used bunting from Straight From The Nest and medallions from Cricut Craftroom Basics and the creepy font from Happy Hauntings. Ink edges, and assemble with adhesive.

STEP 2

Tie the bunting pieces together with ribbon and adjust end lengths so it hangs nicely.

STEP 3

Make Movable Monsters of your choice. Skeleton was cut at 5" and Mummy at 6". Ink edges, assemble layers, and attach joints with black brads.

STEP 4

Witch luminary is arranged and welded. Witch cut from Movable Monsters in the centre of an 8 1/2" x 11" sheet of black card stock. Cut the card stock and adhere a yellow sheet of vellum behind. Score and fold edges 2" from ends. Place in front of light or candle.
