I needed a centerpiece for my coffee table so I created the hat using Tie The Know (cone), George (brim), Moveable Monsters, Happy Hauntings, 3D Bows & A Frightful Affair & Martha Stewart Fringe scissors (brim). I used a curled pipe cleaner at the top of the hat to hold the moveable witch. Her cauldron is just below her setting on the brim of the hat. I attached a bow from 3D Bows, silk flower and a witch's shoe from Happy Haunting, to the hat brim. The cut outs on the hat were cut using A Frightful Affair and are filled in with Sticks. I made a rosette and attached it to the top of the hat and glued the images from the cut outs on the hat to the rosette. This project took two hours to make
