## HAPPY HAUNTING!

**Design by:** TeriR (1 Project)

**About me:** I've enjoyed crafting for many years and renewed my interest just recently with the purchase of my Cricut Expression. I love it! The possibilities are unlimited.

**Project skill level:** easy

**Project time:** 30 minutes to 1 hour

**Project tags:** Halloween Classic Holiday Holiday Cards Seasonal Cards Cards Playful

I had a lot of fun designing this card in the Cricut Craft Room. It made it so easy to get the dimensions right. There are several cuts in this project, but it's really simple and quick to put together.

## CRICUT®: WHAT WAS USED

Cricut Expression® Machine with Plantin SchoolBook and Accent Essentials®

A Frightful Affair Cartridge

## OTHER MATERIALS NEEDED

Purple Cardstock

Yellow Cardstock

Green Cardstock

Light Brown or Gray Cardstock

Vellum

Red Ink Pad

Pencil (optional)

Black Cardstock

White Cardstock

Flesh Tone or Lt Green Cardstock

Adhesive

Double Stick Foam

Dark Fine & Brush Tip Markers

### STEP 1

Attach purple background to card base.

### STEP 2

Attach all fronts to backs...pumpkin pieces, house to moon base, bat to moon then walkway to house and grass to fence. When assembling the ghost/phrase pieces, use adhesive very sparingly because it will show through the vellum. You may want to test first. I outlined the pumpkins' eyes and mouths with the fine marker.

### STEP 3

Lightly touch and drag the tips of the fingers on the arms against the red ink pad. Color in sleeves with dark marker. Optional: lightly draw

highly representative of the general population with similar palm vein details on hands.

---

#### STEP 4

Attach house to right side of card base using the edge of the walkway to line up. Trim off overlapping moon.

#### STEP 5

Set fence on left side of base for placement, trim off excess fence. I flipped the fence so the large gaps between the slats would show off the hands better. Attach hands to back of fence, then attach fence to card base using double stick foam. Attach pumpkins to front of fence.

#### STEP 6

Attach ghost/phrase to upper left side of card base.

## STEP 7

Add bling! The small rhinestones make nice stars.
