I got the idea for this when I was assembling the Movable Skeletons. I put onE of their hands up in the air, and thought how fun to have another Skeleton robbing the other 2 in a graveyard.

STEP 1

The Gypsy was used for the entire project. This project centers around the Movable Monsters Cart. I cut 3 skeletons and assembled them. The ribcage from one of the skeletons was 4.069, and I fit the other parts to that cut.

From Art Deco Cut the Hat and Coat sizing it to fit one of the skeletons. Old West was used for the gun cut @ 1.54. The Hearse was cut on a 12x24 mat. Cut 2 layers Black and one layer yellow. Cut several 3.5" x 11 inch strips of black paper and score .25 inches on each long side. Assemble on Black layer and one yellow layer for the hearse and adhere the scored 3.5x11 strips on the inside of the hearse around the edges. Adhere the other Black layer on the back so you create a 3D hearse. The Graveyard in the background is from a frightful affair, cut in a 12x24 mat. The words Grave Robber were cut from Afrightful Affair @ 3.5. Cut the shadows also. From Ribbons and Rossette cut the spider Rosette sizing it to 2.5x1.62. You will need 24 of these, 2 for each Rosette. I put an oval frame under each assembled letter. Tomstones, Gargoyle, Fence, cat, moon, bats were cut from October 31. I place everything on the Mantel using strips of paper glued in a triangle shapes to make the Tomstones and the Gargoyles stand up
