

A FRIGHTFUL AFFAIR CONTEST ENTRY

Design by: [RITA](#) (1 Project)

About me: Mother of 3, grandmother of 5 and love playing with paper and exploring new ways to do old things.

Project skill level: [advanced](#)

Project time: [2 hours to 3 hours](#)

Project tags: [Wall Décor/Wreaths/Banners](#)
[Halloween](#) [Holiday Décor](#)

A "family" wall hanging for Halloween. All cuts are from A Frightful Affair or were cut by hand, with the exception of 3 cuts from punches. I hope you enjoy it as much I enjoyed making this project.

CRICUT®: WHAT WAS USED

Cricut Expression®
Machine

Cricut® Everyday
Cartridge, A Frightful
Affair

OTHER MATERIALS NEEDED

- 4 - 8x10 Canvas
- Black Purple and Silver Paint
- Vellum
- Martha Stewart Large Spider Punch
- Dowel Rod
- 1 - 14x11 Oval Canvas
- Pigment ink
- Martha Stewart Drippy Goo Punch
- Msc. Paper

STEP 1

Painted two of the 8 x 10 canvas in black and 2 in silver, paint the oval canvas in purple and the dowel rod in black.

The entire project

STEP 2

I drew out the designs and made the necessary cuts for the mummies canvas. Mummies 4" and 6" and I inked the edges with brown ink, moon (real size dial on) at 4' from yellow vellum and used in ink in orange and red to add color, lantern was cut at 1 1/2", tombstone 3 1/2", misc bats from 3/4" to 1 1/2 inches. Used pop dots to raise the mummies and tombstone at different heights to add dimension.

the boys playing hide & go seek in the yard.

Mummy Close up

STEP 3

For the wedding picture, I cut the Bride 6", the Groom 7", the organist 4", minister at 3", tombstone 5", candelabra 2 1/2", gargoyles 4" and again pop dots for dimension. I cut arches by hand and layered them with pop dots.

Our Wedding Day

Our Wedding Close up

STEP 4

Cut the bride of Frankenstein at 7", man in the door at 5" and cut Frankenstein at 2 1/2 and layered him over the shadow in the doorway, window cut at 2" and cut it down to make it an inside window, used the drippy goo punch to add fringe to the make curtains. Spiders and web was cut at 2". Cut large spider from punch. All items were again layered with pop dots.

Our oldest daughter and her husband. He was late again.

Just love how she turn out, with the webbing added to the dress and love the

STEP 5

Witch was cut at 6", books were cut at 2" and window was cut at 2" and cut into 2 pieces, and then again used my punch for valances over the top, mice were cut at various sizes, I cut the potion bottles at 3/4" and used markers to add the filler, the lab bottles were cut at 1 1/2", the cabinet was the door cut at 6" and turned on its side. The shelves were hand cut and I used pop dots again form dimension.

Teenage daughter just loves science class

Close-up of storage shelf

Witch Close up

STEP 6

Cut out the letters for "our family" at 3" and attached to the oval canvas.

Close up of family sign

STEP 7

Attached ribbon to the back of canvas using a staple gun and hung them from the dowel rod.

The entire project
