PROJECT CUT FILES

[candy_sign.ccr](#)

STEP 1

Children were cut at 3 in. Attached is a Cricut Craft Room File.

STEP 2

Cut children cuts and assemble. Stamp faces and add embellishments as desired. I used PeachyKeen Stamps, gems, ink, and glitter glue.

STEP 3

Cut a green strip of cardstock for grass. I used a paper punch to make a "grass like" edge.

STEP 4

Assemble the "Candy" phrase.

STEP 5

Cut the arrow and "this way". This cut is from Twinkle Toes Lite.. but you could substitute other arrows from another cartridge you have. Emboss and ink if you would like.

STEP 6

Lay out you assembled cuts. Add pop dots if you would like and adhere to sign. (This sign was a pre-made wooden sign that I painted black and splattered with white paint.) Happy Halloween!
