STEP 1

Create blank 5.25 card from card stock. Cut bee at 3 inches, using kraft paper for the top body layer and glitter paper for the wing layers. Cut crown from pink card stock. Glue body and wings together. Apply gems and liquid pearl dots to crown. Let pearl dots dry. Apply crown to bee with foam squares. Cut two strips of design paper at 2 inches x 4 inches. Using a corner rounder, round two inside corners of each strip. Apply small dots of glue to back of scrap strips and place on background paper. Machine stitch around edges. Stamp sentiment on strip of white card stock and round inside corner with corner punch. Adhere to bottom strip. Adhere finished 5 inch square to 5.25 inch kraft paper square and adhere to 5.25 card. Glue finished bee to card front.
